

Newsletter | January - February 2023

Welcome

The year started excitingly with the Charles Hull Contractors Family Fun Day. We had a great crowd inside and outside the pavilion. Thank you Charles Hull Contractors for your continued support of PHRC. It is great to see so many of their staff and families that come to enjoy the day.

Our race meet on the 20th of February saw 140 Probus Club members come and enjoy our set menu two-course meal. Even though the races didn't start until 1.00 pm, we had members starting to turn up at 10.30 am. They had such a great day, the crowd was happy and we received many compliments on our service, which is always nice to receive great feedback. Probus is an organisation for retired people to get together for fun and friendship. They provide their members with opportunities to stay engaged, connect and stay active. They have come from the north and the south to meet other members from other clubs and enjoy a day at the trots.

A big thank you goes to Frank Nafranec who served 12 years on the Pinjarra Harness Racing Club's committee. Thank you so much for your dedication and commitment to the Club over the years.

The Team Teal Campaign

The Team Teal campaign is a partnership between WomenCan, the Harness Racing industry in Australia & New Zealand whereby all reinswomen race in teal pants to raise awareness and much-needed funds for women with ovarian and other gynaecological cancers when they secure first place across the finish line. WA reinswoman have won 38 races to date with 5 of those races won here at the Paceway.

Week 1 -Madeliene Young

Week 2 -Madeliene Young and Deni Roberts (WA ambassador)

Week 3 -Maddison Brown and Deni Roberts (WA ambassador)

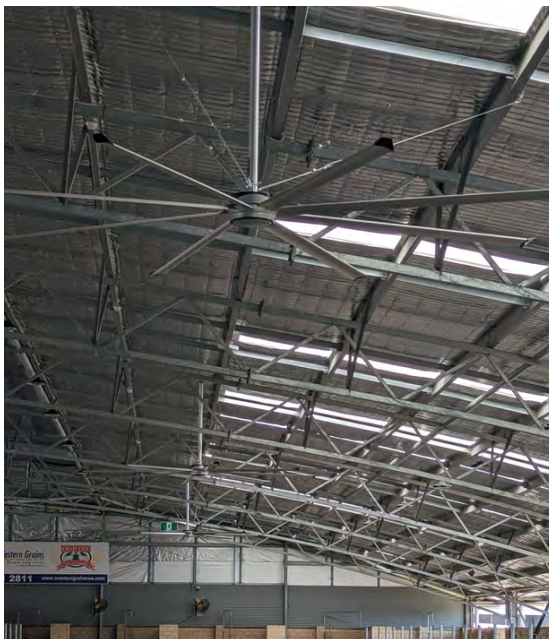

Well done to our reinswoman

For more information on the team teal campaign or to make a donation visit <https://www.womencaan.org.au/event/team-teal-racing/home>

Around the Grounds

The garden toilets have had a much-needed tidy-up with new paint, cisterns and vanity basins. Thank you Steele Plumbing for your plumbing work, and our Manager Dale for the great paint job.

New Fans have been installed in our stalls, which have been well received during our hot months.

Alcoa

Pinjarra Alumina Refinery

Pinjarra Alumina Refinery was commissioned in 1972 and as one of the world's largest alumina refineries. It produces approximately 4.7 million metric tons each year.

Pinjarra refinery is supplied bauxite via an overland conveyor from the Huntly Bauxite Mine east of North Dandalup. The refinery is located within the Shire of Murray in the Peel region south of Perth, Western Australia (WA).

Approximately 1,160 employees and 330 contractors work at the refinery, with an estimated 60 per cent of employees living in the local Pinjarra and Mandurah communities.

Pinjarra refinery's contribution was approximately AU\$188 million into the local WA community through salaries, wages and benefits and AU\$600 million in WA supply contracts.

In 2021 the Pinjarra refinery invested approximately AU\$535,000 in local community partnerships in Pinjarra, Mandurah and surrounding communities along with further in-kind contributions.

All WA mining and refining operations have earned certifications from the Aluminium Stewardship Initiative, which is validation of our commitment to responsible and sustainable production and working with stakeholders to deliver long-term value.

Since 2008, Alcoa and Alinta have partnered to operate two cogeneration power units at Pinjarra refinery, delivering energy efficiencies and significant greenhouse gas benefits.

The refinery has had a worm farm and composting facility since 1995. Some 80 tonnes per year of organic waste from Alcoa operations is turned into vermicast, 'worm wee' and compost for use in refinery gardens.

Community Engagement

We are committed to talking with, and listening to, the communities near where we operate and where our employees live. This helps us understand concerns and expectations, identify opportunities, minimise potential impacts from our operations and maximise benefits.

We see our approach to community engagement as a powerful vehicle for mutually beneficial solutions that balance our company's strategic objectives with community needs and desires.

Drakesbrook Fine Wines

Drakesbrook Wines are a family owned business. They are an artisan creator of quality table wines, specialising in alternate and emerging varieties.

Continuously flowing, 'the Drakesbrook' is a small river running through the family farm in Waroona.

They have 17 different varieties that are all dry grown, using minimal intervention and minimal chemicals.

The Drakesbrook vineyard was specifically selected for its pristine environment, elevation, ample water and well drained gravelly soil. Owners Bernie and Trish Worthington drew inspiration for their labels from a love of Australian parrots and the fact that endangered red and white tailed cockatoos frequently visit the property.

Their Drakesbrook collection has grown from four wines when they started in 2008, to four unique collections, totalling 24 wines under the Drakesbrook name. With a four star rating from James Halliday in 2014 and 2015, they have won over 70 medals over the years, and are exceptionally proud of their 2014 Rose winning the trophy for the best Rose at the Qantas Western Australia Wine Awards.

Visit their website www.drakesbrook.com.au to view and order from their complete range.

Their cellar door is newly renovated and you can taste their unique wines and enjoy a glass or bottle in their licensed picnic area.
