

Retravisision

Mandurah

Established in 1961, with an emphasis on strong local franchises - and a focus on carrying the world's best brands - Retravisision quickly grew to the leading electrical and appliance retailer it is today. Boasting 19 stores across Western Australia, the Northern Territory and South Australia, together with our easy-to-use online store, Retravisision has made electrical and appliance shopping easy and affordable for everyone.

Offering the best brands and the latest technology, you'll discover the perfect appliances and electrical goods for your home, from whitegoods for your kitchen and laundry, computers and tech, to top brand TV & Audio.

At Retravisision, service is everything whether you're shopping in store or online. They pride themselves on the extensive knowledge and helpful service offered by their friendly team of dedicated staff.

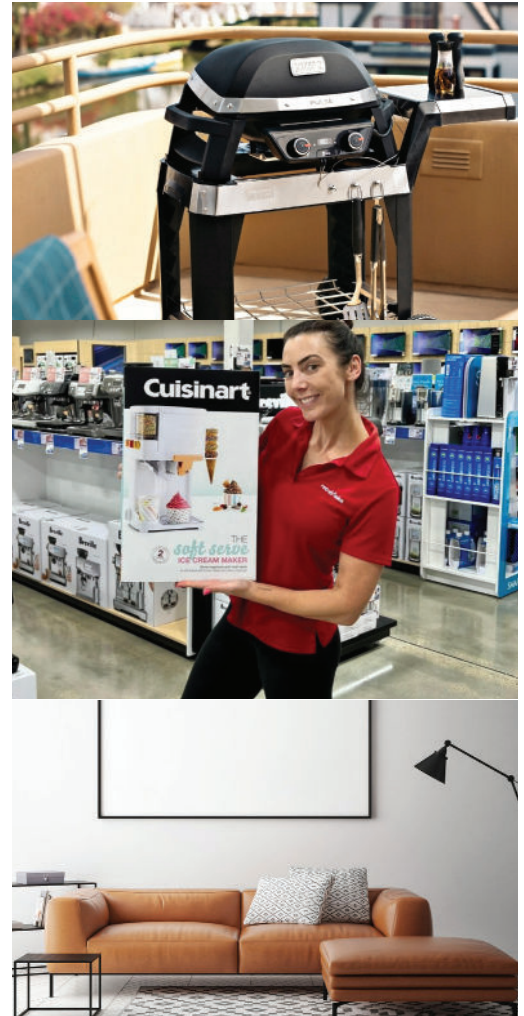

With an ever-increasing complexity and range of electrical products available, they make sure their experienced sales teams provide the best advice, together with dependable after-sales service.

With their Lowest Price Guarantee, you can shop with confidence knowing you're getting the best price possible, every time you visit a Retravisision store or shop online.

Value means more than just the best price. That's why they aim to provide the best in ALL aspects of the transaction, from the advice they give, to the service they provide.

With a commitment to going the extra mile in everything they do, Retravisision continues to grow, making them one of Australia's most popular and trusted electrical and home appliance retailers.

As was the commitment over 60 years ago, Retravisision continues its proud involvement with a variety of community groups, charities and events.
