

# De Rosa Highway Motors

Proudly providing agricultural machinery sales, service & parts to the local farming community since 1968.

De Rosa's Highway Motors are Farm Machinery Dealers in the southwest of Western Australia, specialising in New Holland tractors, balers and hay equipment, the full range of Kuhn machinery & Hardi 3PL & trailing sprayers. We pride ourselves in sales and after sales service with a fully equipped workshop and extensive spare parts department. De Rosa's Highway Motors supply a specialist service and installation for a wide variety of agricultural machinery.

From the latest technologically advanced New Holland Agriculture equipment using laptop computer diagnostics to the repairs on an old Ford, De Rosa's Highway Motors, will cover all your service requirements.

De Rosa's Highway Motors workshop facilities are complimented by our fully equipped workshop & field service vehicles which allows us to keep you going, where ever you are.

De Rosa's Highway Motors supply specialist service and installation for a wide variety of agricultural machinery. From New Holland tractors & hay equipment, Hardi trailing sprayers & the full range of Kuhn equipment, De Rosa's Highway Motors will cover all your service requirements. With 4 on road service vehicles, we have the ability to get you equipment back in the field and running to its optimum performance. Our workshop facilities are also complimented by our in house tilt tray to allow us to pick-up and drop off your equipment if required.

Contact 08 9733 1462 during office hours or David Wills on 0427 533 214 all after hours machinery breakdowns.
