

Clark Rubber Halls Head

Everything Pools, Foam & Rubber

Clark Rubber is an icon of Australian retailing with a history dating back to 1946. With 60 stores nationally, our stores are specialists in pools, foam and rubber. Clark Rubber has recently opened its doors at the new Halls Head store, servicing the Mandurah and Peel region.

We offer a range of foam mattresses and toppers, as well as cutting foam to size. We also have our Made-To-Order service for bespoke cushions and coverings for boats, caravans, indoor and outdoor furniture, and anything else you can dream up!

Our rubber products include equestrian matting, ute matting, flooring mats, extrusions, marine carpets, and artificial grass.

Our skilled pool technicians have a mobile pool service and specialise in pool and spa care, including cleaning, repairs, and chemical balancing. We also offer free in-store pool water testing with expert advice to help with your DIY pool care.

And we have everything you need for summer!

Including portable pools, pool inflatables, pool lounges and games, inflatable slides, and the amazing croc pads! And don't forget – our classic Sunsoka Clark Pool. Australia's most loved above ground pool. Australian made and with a 20 year warranty, it's better than a beach in your own backyard.
