WHAT'S BEEN HAPPENING AT OUR CLUB THE LAST FEW MONTHS..

September rolled in with a trifecta of events for the 2nd September racing including Fathers Day Lunch, a parade by the New Season Sire, SHOCKWAVE and finished off with the Westbred Series Barrel Draws for the 2yr & 3yr old Fillies, and the Colts and Geldings.

The racing was first class, as usual and our kitchen was busy with the meals flying out to hungry punters.

Alcoa Cup and Family Day 23rd September

We had a brilliant crowd inside the pavilion with the place buzzing with our Group bookings Members and other guests! Happy 80th Birthday to Dennis who celebrated in style, surrounded by his friends and family.

The lovely Alcoa Cup Sponsors and their families joined us celebrating and enjoying their day.

The crowds were bustling inside and out and the kiddies were stoked with their free lolly bags, icy poles and free entertainment!

It was an outstanding day today, there was a nice gentle flow from the time it started till the end, it really was a ripper!

Thanks again Alcoa for Sponsoring this event as without your generosity these days that bring so much joy may not be possible.

Federal Member for Canning

I'm Andrew Hastie, your Federal Member for Canning and the Shadow Minister for Defence; Defence Industry; Defence Personnel. I live in Mandurah with my wife Ruth and our three young children.

In my previous career I served as an officer in the Australian Defence Force. It was a privilege to serve the people of Australia in uniform, and it's an honour to do so as your representative in Canberra.

I'm passionate about Canning, and I stand by my results. Since being elected I've worked hard to deliver for the communities across our region, whether that's better roads and rail, better health services, more job opportunities, more reliable mobile and internet coverage, or support for the local volunteers in our clubs and charities.

I will continue to use my experience to deliver for you. Australia faces many economic and strategic challenges in the years ahead. I want to use my experience to protect our sovereignty and make us stronger.

My values shape my work and vision for our community and I'm guided by three stars – family, home and education. Strengthening families, ensuring young Australians have the opportunity to enter the housing market, and educating our children so they have the skills to succeed in life.

With your support, I will fight for our region and help to keep Australians safe. Please don't hesitate to get in touch with me to discuss any local or federal issues or concerns you may have.

It's important for me to learn what issues are important to you.

Congratulations!

Congratulations to Pinjarra's very own Abbey Vidovich who made her race driving debut here at Pinjarra on Monday.

Driving "She's A Lucky Penny" in race 7 on the programme, Abbey drew a big crowd of family and friends oncourse to watch and celebrate her first drive.

18 year old Abbey, has had a great introduction to Harness Racing gaining great experience working for Kim Prentice and now Dean Miller.

Quick witted, smiling Abbey can always be found at the track, doing track work for Dean Miller and has a very bright future in harness racing.

SENSATIONAL RACE DAYS
