\$2.2million boost for Club to implement track lighting

Local Murray-Wellington Labor member Robyn Clarke MLA with club General Manager Dale Putland at the Pinjarra Cup celebrating an election promise by the State WA Labor Government will provide 2.2million for track lighting.

This is an exciting announcement that will allow the club to race more often and also provide additional employment opportunities at the club and provide a boost to employment and tourism in Pinjarra and the Peel region.

Local Murray-Wellington Labor member Robyn Clarke MLA with club General Manager Dale Putland.

In recognition of his service to the club, the Stalls Complex has been named after long serving club President Barry Warwick.

The Harvey Cup is back

The Pinjarra Harness Racing Club is pleased to confirm the Harvey Cup will now take pride of place on its yearly racing calendar due to popular demand and support from Harvey residents and business owners.

A time-honoured race going back to the early 1900's, Pinjarra Harness Racing Club, with massive thanks to local Engineering company, Dwyer Engineering, The Harvey Cup will be run each year on Easter Monday at the Pinjarra Paceway.

Harvey District Trotting Club began running meetings continuously since 1927 when the club became affiliated with the Western Australian Trotting Association (WATA).

In 1979, a new 800 metre track and buildings were built 3 kms north of Harvey.

Financial difficulties occurred during the late 1980's and with little support to continue, the Harvey District Trotting

Club had its final meeting in May 2014.

Dale Putland, General Manager of Pinjarra Harness Racing Club said "The Harvey Cup was an important and time honoured race on the Country Harness Racing Calendar and the club is thrilled to be able to bring the race back to life to recognise the Harvey Cup's history".

This year the race will be held on Easter Monday, 21 April and thanks to the generosity of Jack Dwyer and Dwyer Engineering to celebrate the day the club will be holding a free family fun day, with loads of kid's entertainment including face painting; free lollie bags and zooper doopers, live music and great racing.

Former club members and Harvey residents are encouraged to get along to the race day to celebrate the return of the Harvey Cup.

Western Australian and Australian records smashed!!

Locally trained Pacer – Sangu Reale sets a Western Australian and Australian record in recording a sensational minute rate of 1:49.9 for the mile, smashing the previous record.

Local Trainer and Driver Chris Voak, began well to take a sit behind the leader Magnificent Storm who set a very fast pace, with Minstrel on his outside ensuring the speed didn't drop off.

Just before the home straight Chris Voak pulled Sangu Reale three wide and who gradually worn down the leaders to record an amazing win.

Congratulations to Chris Voak and team on an outstanding win.

Fastest Mare by a mile!!

Nullabor Navajo become WA's fastest mare on Monday when she claimed the Dr Ed Dewar Golden Girls Mile in a very fast 1:50.6 for the mile.

Starting from barrier one, despite beginning well Nullabor Navajo ended up three back on the fence, but Penny Black drifting off the marker pegs up the back straight was able to get a clear run through and wear down race favourite and leader Steno close to the line.

Trained by emerging young local trainer Corey Peterson and driven by Stuart McDonald, Nullabor Navajo has now earned just over \$180,000 with 13 win from 57 starts.

4Life Physiotherapy Mandurah

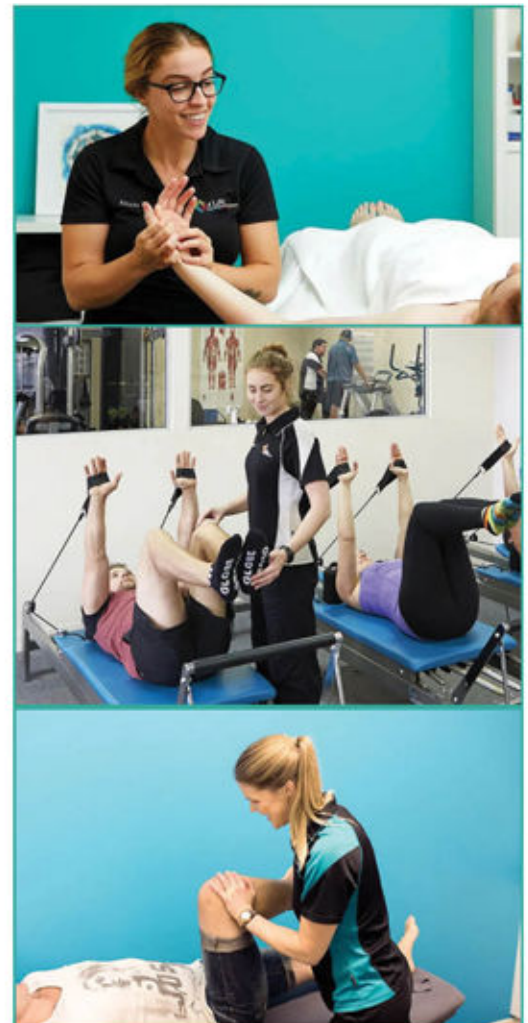

4 Life Physiotherapy proudly offers Physiotherapy, Remedial Massage, Podiatry, Clinical Pilates, Orthotics & Exercise Physiology services to the local Mandurah and surrounding Halls Head, Greenfields, Secret Harbour, Meadow Springs and Pinjarra communities.

The 4 Life Physiotherapy team has over 30 healthcare professionals working together to achieve the best possible outcomes for their patients, athletes and NDIS participants. Their team includes Physiotherapists, Podiatrists, Exercise Physiologists, Sports & Remedial Massage Therapists and DMA Clinical Pilates Professionals.

Their team is fortunate to have access to the very latest in expert assessment, diagnostic and treatment tools for your condition. This includes a large on-site rehabilitation gym, DMA Clinical Pilates Studio, shockwave therapy, real-time ultrasound, musculoskeletal laser, 3D biomechanical scanning cameras and much more. They are also aligned with many external organisations and can assist with imaging (such as ordering x-rays, ultrasound or MRI) and can directly liaise with GPs and numerous medical specialists who are top of their field.

4LifePhysiotherapy are Mandurah's most awarded Physiotherapy private practice, being admitted to the Peel Chamber of Commerce "Hall of Fame" after 3 consecutive Peel Business of the Year Awards. These awards are a testament to their wonderful, caring staff who work their best everyday to improve the health and wellbeing of our community.

They have more 5-Star Google Reviews than every other physiotherapy clinic in Mandurah combined! One of the key reasons for this is that they pride themselves on taking the time to thoroughly assess and treat not just your symptoms, but also the underlying cause of your injury, ensuring optimal recovery. In fact, 4 Life Physiotherapy standard consultation appointments are TWICE the time of the industry standard, allowing them time to get you back to your 100%!
